

# **Southern Pacific Narrow Gauge Historical Society's 2017 Conference**

**Co-hosted by V&T Railroad Historical Society**

**“ H.M. YERINGTON: MINES, MILLS, AND RAILROADS”  
Carson City, Nevada      June 8-11, 2017  
Based at the Gold Dust West Hotel & Casino**

Come join in for four days of Historical Field trips, discussions, and presentations as we explore the life and interest's of Henry Marvin Yerington, Nevada's Prominent Businessman and Railroad Builder.

We will discuss Mr. Yerington's involvement in several railroads including the Carson & Colorado RR, Virginia & Truckee Railroad RR, and the Bodie and Benton RR.

Other topics will include Mr. Yerington's interest's in mining and milling, the timber industry, the Carson Water Works, and his involvement in the Inyo Marble Works and Inyo Development Company in the Owens Valley of California.

Activities will begin with a catered “meet and greet” with presentation's on Thursday evening. Other activities include an afternoon and evening at the Nevada State Railroad Museum with steam, tour, and presentations, field trips on both Saturday and Sunday to historical locations, evening presentations by noted Railroad Historians, raffle, and SPNG Historical Society business meeting.

Registration will begin January 1, 2017. Seats will be limited.

**You may preregister for the conference by completing the information on the back of this sheet and forwarding to the Office of the SPNG Historical Society or a representative of the Society.**

**You will then be placed on the mailing list to be sent an official conference registration and information packet on January 1<sup>st</sup>**
