

# Southern Pacific Narrow Gauge Historical Society, Inc.

The Southern Pacific Narrow Gauge Historical Society was founded in 1981 to share the history and technical information of the narrow gauge railroads owned, operated or controlled by the Southern Pacific Company.

The Society is also interested in the application of this information for the modeling of the prototype railroads.

The Society publishes a quarterly entitled **Journal of the Southern Pacific Narrow Gauge Historical Society**. The **Journal** is a benefit of membership in the Society. The Membership year is computed as being four issues of the **Journal**.
